Additional Information

- Rhino Fescue SupremeTurf was designed to replicate the lush beauty of natural grass, specifically for landscape applications.
- The S-Blade yarn system has a combination of field and apple green blades combined with a curly brown and olive thatch layer.
- The S-Shaped blades eliminates weak points in the fibers, creating an unprecedented split resistance.
- The 2" pile height highlights all the beauty of a lush thick lawn that will be the envy of the neighborhood.
- Luster Guard™ diffuses the sun rays which eliminate reflection and shine.
